Trabajo sólo realizable por personal especializado.
Works to be done only by trained personnel.

Lucrarea poate fi efectuată numai de personal specializat

(ES) ¡ATENCIÓN! Antes de instalar el equipo:

- Comprobar que el neutro del cuadro quedará accesible una vez instalado. En caso contrario, será necesario instalar una prolongación (no incluida) (paso 2a y 2b)
- Comprobar que las zonas de conexión están limpias y libres de signos de corrosión.

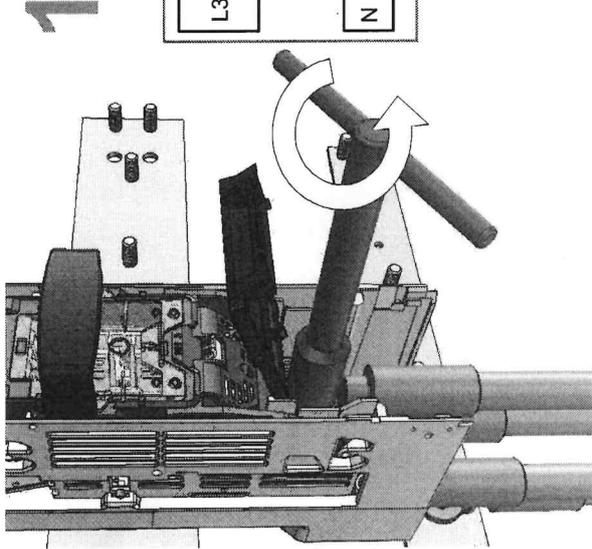

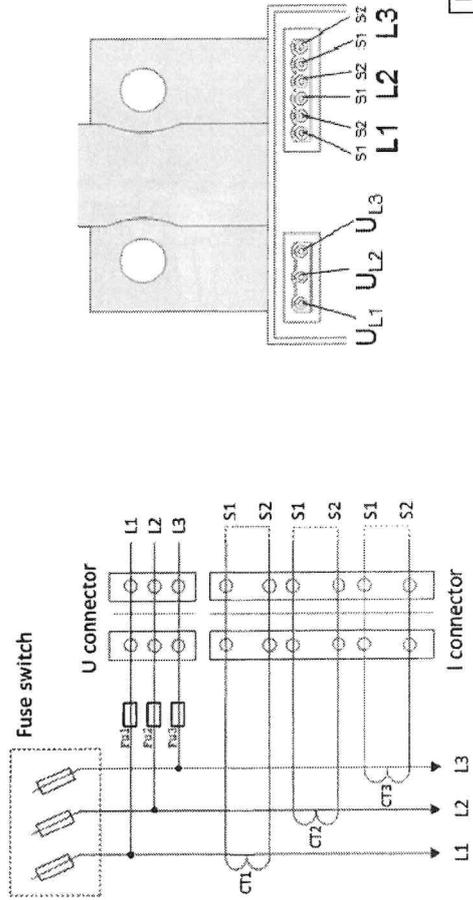

(EN) **ATTENTION!** Before device assembly:

- Check that the neutral bar connections will remain accessible after the installation. Otherwise, it will be necessary to install an extension bar (not included) (step 2a & 2b)
- Check the connection areas are clean and free of corrosion.

(RU) **АТЕНТІЕ!** Іnainte de instalarea echipamentului:

- Verificați dacă neutrul panoului va fi accesibil după instalare. În caz contrar, va fi necesar să instalați o extensie (nu este inclusă) (etapele 2a și 2b)
- Verificați dacă zonele de conectare sunt curate și fără urme de coroziune.
